Dear Ms. Wilson:

I am in receipt of your letter of June 18, 2007.

As we discussed on the telephone June 18th, we were advised by our transportation experts, Globe Ground, about the safest route to transport Alexa to Keller School.

In light of the new information you gave me during that call, we are once again reviewing the issue and will be in contact with you when that has been completed.

Sincerely,

Jean M. Hudson, M.D., M.P.H.
Commissioner of Health
